1st. A primary election is hereby called to be held in the several voting precincts of Lincoln county on Saturday, February, 6th, 1909, between 6 A. M. and 4 P. M., for the purpose of nominating democratic candidates for the offices of county judge, county attorney, county clerk, sheriff, jailer, representative, assessor, school superintendent, magistrates of the several magisterial districts, constables, coroner and surveyor.

Every candidate who desires to have his name printed on the ballots to be used in said primary election shall on or before 12 o'clock midnight of the 22nd day of January, 1909, deposit with the treasurer of the committee the sum hereby fixed as the entrance fee in the race for the office for which he is a candidate, said sum so realized to be used in defraying the expenses of the primary. At the same time the candidate shall give written notice to the chairman that he desires to be a candidate, and name the office he seeks.

The entrance fee of candidates shall be as follows: For sheriff, \$40; for county judge, \$10; for county attorney, \$10; for county clerk, \$10; for jailer, \$15; for assessor, \$10; for representative, \$10; for school superintendent, \$10; circuit clerk, \$10.

4th. The election shall be held in all respects as required by statute relative to primary elections, and a uniform ballot shall be used in all voting precincts. The chairman of the committee is directed to cause to be printed and distributed to the several voting precincts the necessary ballots and all supplies necessary to the legal conduct of the election.

5th. The democratic county committee shall appoint officers to hold the election in each precinct, who shall be selected from lists furnished by all candidates who desire to submit lists. The officers shall be as nearly divided as possible as to judges, clerks and sheriffs among the various candidates. The officers of the primary shall, as soon as the polls are closed, which shall be done at 4 P. M., proceed at once to count the ballots cast for each and every candidate for office, and after counting same they will place all ballots voted in the ballot boxes furnished by the committee, sealing up the boxes as required by law, and within two days thereafter, the sheriffs and judges of election will deposit the boxes with the chairman of the county committee at the court house in Stanford. The officers of the election in each precinct will make and sign a written statement showing the number of votes cast for each and every candidate for office in the precinct, and place said statement in an envelope and deposit it in the ballot boxes.

6th. The returns are to be made to the chairman of the county committee, and should he be absent from the county, then to the secretary of the committee, at the court house, within two days after the election. On the next day after the election the county committee shall meet and canvass the returns of the election and make certificate thereof.

7th. The secretary of the committee is directed to give notice of this election as is required by law.

President Helps Orphans.

Hundreds of orphans have been helped by the President of The Industrial and Orphan's Home at Macon, Ga., who writes: "We have used Electric Bitters in this institution for nine years. It has proved a most excellent medicine for Stomach, Liver and Kidney troubles. We regard it as one of the best family medicines on earth." It invigorates the vital organs, purifies the blood, aids digestion, creates appetite. To strengthen and build up thin, pale, weak children or run-down people it has no equal. Best for female complaints. Only 50c at Penny's Drug Store.

As the result of a fight near Williams-town, Grant county, Miss Ethel Ransom is dead, her brother, S. Ransom, lies at the point of death, shot through the bowels and badly beaten about the head and face and Emmett Hogan was shot in the arm. The trouble was the outcome of an old feud between the Ransom and Lanter families and was renewed at a dance.

There is no case on record of a cough, cold or la grippe developing into pneumonia after Foley's Honey and Tar has been taken, as it cures the most obstinate deep seated coughs and colds. Why take anything else. New Stanford Drug Co.

HIGHLAND.

Xmas, New Year and Holidays are past and everybody is ready to begin another year's work.

The meeting which has been held at the Methodist church for the past two weeks, conducted by the pastor, Rev. J. D. Haggard, assisted by Rev. Geo. Thompson, of Eubanks, and Cook and Young, of this place, closed Thursday night. The membership was greatly revived and there were four additions to the church.

Rev. Elbert E. Young, who has been here for two weeks or more with home-folks, left Friday for his circuit at Heattysville. Misses Annie Butt and Grace Young, who were at home during the holidays, have returned to school at Stanford. Miss Edie Young has entered school again at Kingsville. Messrs. L. Harry K. Thaw is entitled to a trial on the question of whether he has recovered his sanity, according to Justice Tompkins, who heard arguments on a writ of habeas corpus obtained by Mrs. Mary C. Thaw, his mother.

Democratic members of the Indiana Legislature will hold a caucus Wednesday to nominate a candidate for United States Senator. John W. Kern appears to be growing stronger each day with L. Ert Slack his only serious rival.

The National Headquarters Committee of the Anti-Saloon League of America, at a meeting in Washington, decided to erect a printing and publishing plant, involving an investment of approximately \$100,000, near Columbus, O., to be known as a Lincoln Temperance Memorial as headquarters for the league's official organ, "The American Issue." The committee pledged the support of the league to local option by remonstrance petition to protect the residence section of the District of Columbia as a step toward ultimate prohibition, and decided to increase the efforts for the passage of interstate liquor shipment legislation.

A Religious Author's Statement.

For several years I was afflicted with kidney trouble and last Winter I was suddenly stricken with a severe pain in my kidneys and was confined to bed eight days unable to get up without assistance. My urine contained a thick white sediment and I passed same frequently day and night. I commenced taking Foley's Kidney Remedy, and the pain gradually abated and finally ceased and my urine became normal. I cheerfully recommend Foley's Kidney Remedy. New Stanford Drug Co.

Capt. B. B. Golden, a Harboursville attorney, who has had charge of most of the litigation of the United Mine Workers of America in that section, has come to Stearns, at the solicitation of the officials of the union, to look into the details of the recent trouble there between striking miners and the coal company.

Don't Get A Divorce.

A western judge granted a divorce on account of ill-temper and bad breath. Dr. King's New Life Pills would have prevented it. They cure Constipation, causing bad breath and Liver Trouble, the ill-temper, dispepsia, banish head-aches, conquer chills. 25c at Penny's Drug Store.

The Southern Railroad has discontinued the sale of liquor in its dining cars over the whole system. This step was decided upon by the management in view of the fact that a large part of the territory through which the road runs has declared for prohibition.

George Busby, who went from Lexington, this State, to Atlanta nearly 40 years ago and died there last September, lived in the Georgia city during that period under the name of Charles Howard. He was honored and his memory is cherished by a legion of friends.

Judge Charles E. Booe, recent claim clerk in the Auditor's office, was sentenced to the penitentiary for five years on the charge of forgery. He was only tried in one case, 34 other indictments being continued until the April term of court. It is probable that Judge Booe will never be tried again.

Judge Charles E. Booe, before he donned his prison garb, made to order, paid former Auditor Hager and present Auditor James the full amount he stole from them during the time he was not under bond. The amount was \$3,482.87. He also left his wife \$6,000 to support her while he is serving his term in the penitentiary. Who will reimburse the State for the remainder of the shortage made by Judge Booe is a question of law that is puzzling.

A Horrible Hold-Up.

"About ten years ago my brother was 'held up' in his work, health and happiness by what was believed to be hopeless Consumption," writes W. R. Lipscomb, of Washington, N. C. E. C. WALTON

Did you ever notice that there are certain people who are never on time? At church they are always late and at other gatherings it is the same case. However, if they are going off on a train they will get to the depot a half hour before the arrival of the cars. This is proof that being late is a silly habit which the guilty ones can and should break themselves of. It is exceedingly annoying to the pastor as well as to his hearers for people to come in after the sermon is under headway. It detracts and disconcerts and frequently a good sermon is lost by such interference. Start the new year right by being on time. Contract the habit of never being late. 'Twill be of inestimable benefit to you.

The Secretary of the Treasury has announced a call on the national bank depositories for approximately \$25,000,000 of Government deposits, \$15,000,000 to be paid on or before January 23, 1909, and the remainder to be paid on or before February 10, 1909. This call on national banks for the return of \$25,000,000 is not made necessary by any urgent need of cash, the balance on hand and available for all purposes being fully \$29,000,000, with the revenue showing slight increases over one year ago, says a dispatch. The Secretary's desire to provide ample funds for Treasury needs at the beginning of the new administration about eight weeks hence is believed to be the reason for making the call.

TOM JOHNSON is the only democrat who has a chance to carry the Cleveland, O., district, hence democratic Congressmen are hopeful that he will allow the use of his name in the special election which will be called to name a successor to Representative Burton. Johnson, who is a native of Kentucky, has served two terms in the House, being finally defeated in 1894 by Mr. Burton, whom he defeated last year for the mayoralty.

IN arguing that suicide is sometimes justifiable, the Frankfort Journal cites the case of Judge Boone, who systematically robbed the auditor's office for years. The Journal thinks while Judge Boone should have either destroyed himself or fled, that a lack of nerve on the first proposition and bad judgment in the latter are the reasons he did not take either of those horns of a very bad dilemma.

THE best news we have heard for a long time is the conviction of the night riders at Union City, Tenn. Six were given death sentences and two 21 years. If the Kentucky officials had gone after the scoundrels in that fashion the night riding business would have been broken up early in the action. All hail to Gov. Patterson and the Tennessee officers generally for their good work.

It is reported that Taft and Teddy have fallen out. The cause of the ill feeling is said to be due to the fact that Teddy does not like some of Taft's Cabinet appointments.

POLITICAL.

President-elect Taft and Senator Knox, who will be his Secretary of State, held a conference at Augusta on Cabinet appointments.

Senator Culberson delivered a warm speech in the Senate in regard to the President's action on the steel consolidation and introduced a resolution of inquiry.

A bill was introduced in the Tennessee Senate to prohibit the manufacture of intoxicating liquor in that State. The bill provides that the law go into effect on July 1.

Gov. Hanly, in his last message to the Indiana Legislature, devoted most of his attention to the liquor question. As has been his custom, Gov. Hanly read the message himself.

Gov. Joseph Folk, of Missouri, in reviewing his administration dwelt on ballot reform and regulation of liquor traffic. He recommended disfranchisement of men who failed to vote.

A resolution was introduced in the lower House of the Tennessee Legislature providing for an investigation of the "whisky lobby, the head of which is Chas. M. Lewis, of Shelbyville, Ky."

A bill was reported to the Senate from the Committee on Finance increasing the salary of the President of the United States from \$50,000 to \$100,000 a year and the salaries of the Vice President and the Speaker from \$12,000 to \$20,000 a year each.

The Illinois Republican State Committee has been called to meet at Springfield to-day to take some action along party lines relative to the proposed contest on the governorship and the breaking of the deadlock that has existed between the House and the Senate since last Thursday.

The democratic primary election in Mercer county Saturday resulted as follows: Representative, J. P. Chinn; County Judge, John W. Hughes; County Attorney, R. W. Keenon; County Clerk, Henry L. Gibbs; Circuit Clerk, Casey Allen; Assessor, Elzie Voorhies; Jailor, J. M. Board; Sheriff, J. W. Davenport; Coroner, Sam. Shackelford; School Superintendent, Miss Osa Adams.

IN NEIGHBORING COUNTIES.

William Gregory, of Danville, was badly injured by being struck by a train at Covington.

William Boulware, aged 94, died at his home in Madison county from the infirmities of old age.

Dr. L. S. Tibbals, one of Somerset's oldest citizens, was found dead in bed. He had been indisposed for some time.

A dispatch from Detroit says that Corporal John E. Gibson, of Somerset, killed Private John McManus at Fort Brady.

Archie Riffe, a former Somerset man, but late of Ludlow, has purchased the interest of Mr. Cowan Sallee in the firm of Love & Sallee. Mr. Riffe is a son of Dave S. Riffe, the McKinley liveryman.

Capt. Charles D. Clay, who is one of the board now making an inspection of the Kentucky State Guard, fell down the stairs at a hotel in Middlesboro Thursday night and received a fracture of his skull.

Farmers in Pulaski county were compelled to grind most of their meat into sausage to keep it from spoiling on account of the warm weather during November and December, says the Somerset Times.

Jackson Clem, a young farmer of Boyle, was sent to jail for 12 months on the charge of breaking Samuel Lawrence's skull with a buggy whip. The trouble arose over a turkey belonging to Lawrence.

The six-year-old daughter of Andrew Wesley, residing near Ansil, Pulaski county, was burned to death. She was playing near the open grate when her clothing caught fire, and before any of the family could come to her rescue she had burned to a crisp.

The court of appeals reversed the Fayette circuit court in the case of the Southern Express Co. against Fox & Logan, of Danville. A jury gave Fox & Logan \$2,000 damages for injuries to the mare Emily Letcher while in transport from Donerail to Memphis. The reversal is on the instructions of the lower court.

A Lancaster special says: Louis Landarm, the popular former president of the Kentucky Press Association and late editor of the Lancaster Central Record, received from the Women's Christian Temperance Union of this place an elegant gold watch fob, and from the Ladies' Aid Society of the Baptist church a handsome leather traveling case as tokens of appreciation of his many gratuitous services to these organizations during his 14 years' connection with the Lancaster newspapers.

HUBBLE.

Mrs. Jane Hudson, of Point Leavel, is visiting her son, Roscoe.

Rev. Taylor, of the Bible College, Lexington, will preach at the Christian church here Sunday morning at 11 o'clock.

John Spoonamore sold some fat cows to Johnson at 3c. Jesse Fox bought some fat hogs and shoats of L. P. Weaver, Sam Harris and A. P. Sloan at 5c and 4c. Joe Perrin bought a young mare of H. M. Spoonamore for \$150.

Uncle Dock Bourne, aged about 65, who has been very sick for the past few months, gave up this life Sunday afternoon at 2 o'clock. He was a member of the Christian church, always keeping his dues paid up and ready and willing to contribute his part and to discharge his duty toward all good work and institutions. He met all his business engagements as promptly as if he owned millions. He was a man of few words and no one ever heard him speak any thing but good of his fellow man. He leaves three grown children and a host of friends to mourn his loss. He will be missed, but we hope he has been reunited with his good wife, who had gone on many years ago. His remains were laid to rest in the Lancaster cemetery Monday afternoon at 2 o'clock.

CHURCH MATTERS.

Because his pastor ignored him when he handed out the communion cups, Bank Wrecker Anderson, at Owensboro, has withdrawn his membership from the church.

Sixty-four members of the Calvary Baptist church at Lexington, who believe that their pastor, Rev. W. P. Hines, was not guilty of unbecoming conduct, have withdrawn from the church, and will establish a new congregation.

The First Methodist church at Lexington was dedicated Sunday. Bishop E. R. Hendrix, of Kansas City, preached the dedicatory sermon, while Rev. U. G. Foote, a former pastor, now stationed at St. Joseph, Mo., preached a similar sermon in the lecture room.

Auditor's Agt. for Lincoln County, Ky.

LUCKY FOR YOU.

We have about 50 MEN'S SUITS, only one of a kind to CLOSE at a price SO LOW that those who want SERVICE, rather than style, can not afford to miss. They are not damaged, not shelf worn; a few of them are a little soiled. Not a Suit in the lot WORTH LESS than

**\$10, Most of Them \$15 Suits
Some of Them
\$20 Suits.**

We want them out of the way. We need the money and we have assorted them and made two prices

\$5.00 and \$7.50 A Suit.

It's most LIKE FINDING THEM. \$5 or \$7.50 for a \$15 or \$20 Suit, but remember these prices are FOR THE CASH. Don't forget that.

Winter Goods.

January 1st, finds us with some Winter goods on hand and we will offer these at astonishingly low prices. The Winter is yet before us. Come and see the great saving at this store. Cloaks, Skirts, Furs, and heavy goods must go.

The Future

We must look to. The year just passed has done us all the good or evil it can. In some respects it has been a remarkable year as it has brought with it the usual unsteadiness in business affairs attending presidential years. Once more let's put our shoulders to the wheel and work together and success is sure. We thank you for your patronage in 1908 and ask a continuance for 1909.

Seasonable Goods

for white sewing next week we will place on sale a big line of white goods, laces, embroideries, and etc.

We have some special values for you. Come, look.

Bobbitt Resents Gov. Willson's Slander of Mrs. Herrin.

CRAB ORCHARD, Jan. 7.—"Because of the condition of the Lincoln county jail, which is a reproach to civilization, I pardon this boy." What a foul slander on Mrs. Agnes Herrin, the widowed jailer of the noblest man that God Almighty ever made! I have passed many pleasant days in the sunny walls of that delightful winter resort. At no hotel in any State was I ever kinder or better treated, or cheaper or better fed—my board being entirely free and regularly brought to my apartments. Coffee, meat, bread, biscuit, potatoes, beans, turnips, &c., and the inmates so polite. I spoke and treated on fruits and lemonade every day and no auditor ever arose and left me while I was speaking. When I reluctantly left the jail, which was after being threatened with an ejection, I left 27 sighing voters behind me. Mr. Herrin promised to let me stay a few days over my time. In visiting jails to see my clients and for my own misdemeanors, I have been confined in several houses of correction, but have never seen any jail better, or more orderly kept and prisoners who were fortunate enough to sojourn there during the winter, or as a summer resort, better fed. That was the reason it was so crowded last February when I was there. The lamented Herrin was a nobleman and his widow is now a Duchess dowager. I hope the gallant governor will take back a thoughtless declaration unsupported by the facts. I have considerable interest in the jail. My grand, aristocratic kinsfolk built one-sixth of it and I am entitled to free board there now and then. As the "Mountain Tigress," Cynthia Frye, said when they were putting her in the Mt. Vernon jail, "I built that jail and have had no good of it yet." I never get in jail only when in law and politics and I shall be in both this year. I expect to be in jail before the summer campaign is over and in Frankfort when it ends. Hoping that justice will be done to the Princess that now presides Queen of the Culinary department of the Stanford Hostelery, whose mission is a jail, I am yours truly,
FONTAINE FOX BOBBITT.

PAIN

Pain in the head—pain anywhere, has its cause. Pain is congestion, which is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. This tablet—called Dr. Shoop's Headache Tablets—coaxes blood pressure away from pain centers. Its effects are charming, pleasantly delightful. Gently, though safely, it surely equalizes the blood circulation.
If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.
Bruise your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply common sense.
We sell at 25 cents, and cheerfully recommend
